CG4.
CG9.

Specific competencies

CE1.
CE11.
CE25.

1.2. Learning outcomes

- Know, associate and apply the basic elements of economic analysis.
- Interpret global macroeconomic trends.
- Know the social foundations of economic behavior.

2. CONTENTS

2.1. Prerequisites

None.

2.2. Description

This course is a survey of world economic history and the economic thought. Economic history is a wide-ranging course which uses many economic concepts and theories which can help our understanding of economic changes including those that are occurring in the world at the present time. The course will begin with a brief survey of pre-capitalist economic history and thought, then cover the evolution of economic thinking from Adam Smith:

- the Classical Political Economists;
- the Marginalist Revolution and Neoclassical economics;
- heterodox approaches to Political Economy;
- the Keynesian and Austrian schools of thought;
- recent developments in economic thinking.

2.3. Covered Topics

History of Economic Thought

- Debate between classicism, neoclassicism and Keynesianism.

Economic History

- The great divergence
- The rise of the West
- The Industrial Revolution
- The rise of the rich
- The great empires
- The Americas
- Africa
- The standard model and late industrialization
- Big push industrialization

2.4. Individual / Group Assignments

AD1. Group presentation about one specific subject presented in class.

AD2. Debate about one actual specific economic subject and comparison with a historical event.

2.5. Learning Activities

S2 Individual / Group Assignments	30%
S4 Final Exam (On-Site)	60%

Extraordinary Session

Modality: In-Person

Evaluation Criteria	Percentage
S2 Individual / Group Assignments	30%
S4 Final Exam (On-Site)	70%

Modality: Online

Evaluation Criteria	Percentage
S2 Individual / Group Assignments	30%
S4 Final Exam (On-Site)	70%

3.3. Restrictions

Minimum Grade

To be able to qualify for inclusion of the above evaluation criteria percentages in the calculation of the final grade, it is necessary to obtain at least a grade of 5.0 in the final test.

Attendance

Student who have missed more than 25% class meetings (unexcused) may be denied the right to take the final exam in the ordinary session.

Writing Standards

Special attention will be given to written assignments, as well as to exams, regarding both presentation and content in terms of grammatical and spelling aspects. Failure to meet the minimum acceptable standards may result in point deduction.

3.4. Plagiarism Warning

Nebrija University will not tolerate plagiarism under any circumstances. Reproducing content from sources other than a student's own work (the internet, books, articles, and peers' work, among others) without proper citation will be considered plagiarism.

If these practices are detected, they will be considered a serious offense, and the sanctions provided for in the Student Regulations may be applied.
